Subject: Willy Wong 4 EEOs settlement

Patricia, Joe and Willy,

I am happy to report that the parties have agreed to the settlement terms proposed by Patricia. Thank you so much for your excellent assistance with these 4 cases, Patricia! I will prepare a Settlement Agreement, get it approved by my supervisor and send it to Joe for his review, so everyone can sign it. Briefly, the terms of the Settlement Agreement are:

1. The Postal Service will pay the sum of \$7,500 to Willy. Willy and Joe can let me know if any of this amount should go to Joe in a separate check.
2. The Postal Service will conduct in-person training for all employees at the South Hills office, and online training for Michael Brown, Richard Martonik and Lou Kammermeier, to work toward preventing future harassment based on race or national origin. Mimi will work out the details of the trainings with Joe, so that it can be specifically referenced in the Settlement Agreement.
3. Mr. Wong's live discipline, issued on January 17, 2018, will be removed from his file as of June 30, 2018.
4. Mr. Wong will dismiss all four EEO complaints he has brought (and Mimi will reference the appropriate case numbers in the Agreement).

Please confirm, by return email, that these are the terms of the settlement that has been reached today. I will be calling Patricia in a moment. Thank you all for the wonderful spirit of cooperation and understanding that I felt yesterday. I hope that should future problems arise, that we can talk and work things out, together!

Thank you!
Mimi Dole
